

EURES Targeted Mobility Scheme

Fostering job mobility in Europe

THE PROJECT

Funded by the Employment and Social Innovation (EaSI) programme, the EURES Targeted Mobility Scheme (TMS) is designed to promote and support job mobility projects taking place within the territory of the EU Member States, Iceland and Norway. To achieve this mission, EURES TMS offers a wide range of free services and financial support measures which are available to both employers and jobseekers.

In particular:

- it supports **jobseekers** in finding work, traineeship or apprenticeship opportunities in a European country other than the country of residence
- it helps **employers** throughout the process of selecting and recruiting candidates for their vacancies

EMPLOYERS

Who can participate

All businesses or organisations which are legally established in the EU Member States or the EFTA/EEA countries in accordance with the EEA Agreement (Iceland and Norway) can participate, **regardless of the economic sector in which they operate.**

SMEs are the main target business group and can benefit from financial support measures offered by the EURES TMS.

Placement with European institutions and bodies and other international policy, economic, social and scientific organisations, supra-national regulatory bodies and their agencies **is ineligible.**

What we offer

- An EU-wide network of **qualified EURES TMS Advisers**
- **Tailor made support** in selecting and recruiting candidates
- **Financial benefits** (only for small and medium-sized institutions or companies) to fund integration programmes for newly recruited workers

How to participate
